Work experience:

August 2014- 2018

Seasonal Support - Fulfillment Supervisor

Bloomingdales/ Macys' San Francisco, Santa Barbara

I have worked in all aspects of support merchandiser, Dock, signer, markdowns, visual, and fulfillment. I'm currently the leader of a small group in a new pilot program for bop (buy online pick-up in-store). I worked my way up from temporary seasonal hire to Fulfillment Supervisor, where I lead my team to the highest metrics in years.

Summer 2013, 2014 and 2015

Instructor - Assistant Director

Internal Drive Tech Camps, UC Irvine, CA

Setup multiple labs in preparation to run 8 weeks of summer camps with over 200 students. Taught 8 weeks of computer classes to kids age 9-18 years old; while maintaining labs. I worked my way up from instructor to lead instructor to an Assistant Director.

August 2004 - 2013

Multimedia Instructor

Santa Barbara City College, Santa Barbara, CA

Instructed college-level classes to Santa Barbara High school students in a Multimedia Academy. Taught flash animation, web design, and photography, also maintain computer labs and equipment.

October 2001 - 2004

Photography Lab Technician - Assistant Manager

Brooks Institute of Photography, Santa Barbara, CA

Managed and maintained Digital Photography Labs at two separate campuses, coordinated work schedules, assisted with upper-level digital photography projects, helped co-workers, and students meet assigned deadlines. I worked my way up from a part-time lab tech to Assistant Manager.
